Jonathan,

Would the SWPPP that EEE help develop & the drawings be enough for submittal? or do we need to get the signatures (on page i) and complete the "Contractor's Responsible for Implementation of the SWPPP" info (Page6-Table 2) before we can submit to the County?

I'm still waiting on final approval. I hope we get it in the next week or two...this has been an extremely frustrating process. Do we have a copy of the SWPPP that we can send to PWC?

Hi Jonathan,

I just wanted to check with you to see what the status of Prince William County review of the PP Pond E project. If their reviews are almost complete, I will need to start pressuring the COE permit writer to issue the permit.
